The Story:

I called up <http://www.londonescortsservice.co.uk> and asked for chanell. The person who turned up was totally different. She was thin blonde probably around 35 but looks much older. She got tiny breasts and smokes heavily. The teeth was blackened by it. She stinked as well.

When questioned she mentioned it's because of photoshop. When questioned about age, she said 25 when I could clearly see was much older. I didn't want to go further. She said cancellation charge was 60 pounds. Frustrated, I had a small argument and in heat of it she said she has been doing it for 10 years and more... Anyway, to cut long story short I had to let her go.
