The Premises:

One of the nicest escort flats I have been too. Modern and well furnished-presented.

The Lady:

Mera is very attractive with a slim toned physique and large natural breasts. Her hair was styled in a pony tail when I met her and she looked much more alluring with her hair down as in the pics which I requested.

The Story:

It was a plus that Mera was fresh and showered for our encounter. Soon after my arrival she introduced me to her friends and proposed a three some. However, I wasn't in the mood to follow-through on the offer plus found Mera to be the most attractive of the bunch.

My hour with Mera was a pleasant experience though mildly dissappointed that only LFK on offer. After some introductory chit chat she proceeded to give me some expert OWO with strong tongue work plus ball licking followed by passionate sex in a few positions. After some rest proceeded with second round. Nice experience and I would recommend.
