The Lady:

Christina showed up in a stylish dress and is very much like her pics and actually somewhat better in person. Tall young blonde who is confident and very much the girl next door.

The Story:

After Christina cancelled our previous appointment a hour before it was scheduled I was somewhat apprehensive to book again. However, the second go was excellent - communications were professional and she showed up exactly on time. I was quite happy to see her though she is a bit taller than I would have preferred at around 6 feet as I am of below average height. Educated classy lady who speaks perfect English and you can have a fun conversation with. When I unwrapped my present was happy with the toned slim physic and nice pert boobs. Christina specified at the onset she wouldn't be doing CIM - which is fine with me as I don't indulge in the same. We proceeded to two fun rounds of nice DFK, OWO and sex. I would recommend though will not return as she is a bit too tall for me.
