### The Premises:

Average apartment, not far from Waterloo tube station.

### The Lady:

Nice and eager to please Spanish girl, curvaceous body, friendly like all people from sunny countries, a delight to be with.

### The Story:

Read on her profile that she offered a full facial service, made the booking and didn't get disappointed, she performed a good blow job then offered me her face to cum on and took it all over. She liked it and i was satisfied. Go see her.
