The Lady:

Went along for the Sunday orgy. There were three girls working, Jorden, Chrissie and another blonde. Jorden is pure filth with a nice big pair of breasts, she was getting off on having her clit and tits sucked. Chrissie is a mature lady and very diligent and ensuring punters are happy.

The Story:

When I arrived there were already two punters lying on the bed getting a blowjob off two girls. I stripped off and we were joined by a third lady, all three girls sucked on my cock. At one point I had all three girls giving me attention. There were about five other guys in total, most of them came inside the ladies. The first girl gave OWO but the others used a jonny. Chrissie finished me off in her hands while Jorden pushed her big tits into my mouth.

Great experience and a cheap way to experience an orgy.
