The Premises:

It was at the Hotel Dean in Salford. It was pretty basic hotel, no frills, not that clean and not too dirty.

The Lady:

She WAS NOT as described in the picture. Much larger and older than the pictures suggests.

The Story:

I should have left as soon as I saw her but the driver seemed intimidating so I just went with it. Charged me 120 with no extras. Costs 20 quid for OWO and another 20 for CIM which is a rip off. The worst thing is you can only cum once. I finished quickly and left. Just used a combination of hand and oral protected. Finished with her on top. As soon as I came she got up and dressed which kind of summed up my day. Teaches me not to trust these websites anymore unless reviewed independently.
