The Story:

Was let down at last minute by my favourite independent lady so called agency. Fantastic, friendly girl, great conversation, very satisfying rimjob and good OWO & CIM (spat rather than swallowed) but weird kisser (sticks tongue out and waggles, no proper French kissing) which felt weirdly impersonal and mechanical. Don't think we really clicked and having read her reports was probably expecting a much nastier, carnal PSE. Lovely girl and had a nice time though.
