The Premises:

A new location to me but simple to find and doorbell quickly answered. Usual MK standard of pleasantness inside with efficient shower.

The Lady:

Clearly a young full figured black lady from the pics but so much more shows through in the flesh and especially in the flash of the smile and the eyes. new pics probably on the way in the nearish future.

The Story:

Everything seems fresh to Porsha and she is immediately at ease with her client because she knows what she's got to offer. I suspect when she poked her head into the bathroom just as I was stepping out of the shower she actually said 'You look nice' though I like to think it may have been 'That looks nice'...

Porsha reminded me of porn star Kit Cox (no bad thing in any respect) who I knew from her early escort days and up to now. Porsha seems at ease with the work and will make suggestions and be quite childlike in her manner of what's next, let's go and do it just like Kit Cox still is in the room.

Chat was easy from the off and only suspended when Porsha started some very effective owo that I could quite happily have settled back to enjoy for the rest of the afternoon.

But I asked if she could turn round and she said 'oh we could do 69 then'; yes dear ;)

When you've seen the bum in the pics it's rather nice to be up close and personal with your tongue and it didn't disappoint, not in any way at all.

Porsha chose to say at one point 'when you get used to that view we can do doggie'; yes dear ;)

It was hard to agree to move on from 69 with hands roaming onto those full breasts and appreciative little moans from Porsha at what I was doing.

But needs must and doggie was a great treat with Porsha's bum brilliant to hold on to and again appreciative reactions from this young lady.

From doggie to flat on the bed from behind and the need for a quick breather for me. This allowed us to talk and talk we did about Pnet reports and we agreed I would do one. Porsha asked if it would be a good one; yes dear :)

A bit of hand relief and I might have wanted another go at sex in another position but signs of heart failure evidently made Porsha think that was enough for me and I was in no state to protest.

Already looking forward to next time when I will have the proof that no one but no one in the CMK shopping centre when I walk through it will match Porsha for looks and sheer fanciability. Really? Yes dear ;)
