### The Premises:

A tidy, small, little bedsit, practical and safe and secured in a lovely big house with the white pillars in the front entrance.

### The Lady:

She did not look like the japanese lady in the photos. So it was falsely advertised. The girl I met was a chinese, and she has different hair, a massive tattoo on the tummy area.

however, she still looks good, very tidy, pretty, very smooth skin

### The Story:

I requested if she could dress up as a sexy secretary and wearing the same lingerie she had on in the photos, none of that was met.

As the lady was different person and none of my request was met, so when she offered just a massage or full-service, I opted for just a massage.

Good technique on the massage, more than sufficient to iron out all your knots and stiffness.

Very pleasant experience nonetheless.
