The Story:

I have been one to write field reports, but I felt I had to after the wonderful, raunchy experience that I was treated to by Maria.

I was greeted at the door by Maria, who was wearing her schoolgirl outfit. The first thing she proceeded to do as I entered was to slip her tongue down my throat. She wasted no time in taking me to the bedroom where she continued to kiss me. She ordered me to strip off, and led me to the bathroom so she could unleash a golden shower over me. Following that we moved over to the bath where there was a lot of sucking and fingering by both of us, resulting in a me finishing in her mouth. Normally I would have a little rest before I get going again, but not with Maria I was ready for round 2 straight away, which started back in the bedroom. What followed was 69ing, rimming both ways, fucking in a myriad of positions, anal, oil massages, and more golden showers. All in all it was an one of the best punts I've had.

Maria is not for the fainthearted, but if you're up for it she will give you a time worth remembering. Aside from being such a great pocket rocket between the sheets, Maria is such a nice girl, so treat her well if you get the opportunity to see her
