The Premises:

Easy to find but found it pretty open to people walking nearby but reasonably safe and discrete. Room was second available for establishment a front room with a bed in it. Not the best but not the worst either.

The Lady:

Stacey was slim 8-10 in her 20's, very easy to talk to and put me at ease straight away.

The Story:

Had asked for some extras, tie and tease, light domination and strapon. She is well equipped had decent cuffs and 2 strap-ons. I didn't get what I really wanted as she didn't use the decent cuffs in the end so not tied up great and although she did use the dildo it was not attached to the harness. Having said all that Stacey is great at what she does. Oral was fantastic and she is very dirty. Will return next year to see if we can do more. All in all a great punt.
