### The Premises:

Guildford Gold is now based in a clean, modern flat a couple of minutes walk from the main shopping area. It's pleasant, discrete, safe area. the property has a door entry system.

### The Lady:

Amy is just what you'd expect from the photos on the website. Blonde, beautifully proportioned, all natural, tanned and toned. A real Christmas cracker.

### The Story:

120 included OWO and kissing and I had no complaints at all. Amy is an athletic, imaginative and generous partner with some seriously good moves. I will return.
