A very busy girl, probably size 12/14.

The Story:

Having been let down on a punt and being marooned near Pimlico, I saw an advert in a phone box and decided to give it a go. I usually punt with slimmer girls, but the prospect of a big breasted girl swung it for me. I only wanted a nice slow, handjob and that's exactly what I got. Having big E/F cup breasts to play with was a bonus.
