The Lady:

Attractive blonde with deep tanned skin and large breasts around 24 years of age. some excess weight around her belly hidden well in the pics.

The Story:

Paid for 15mins including sex & oral.

Kelly rejoined me in the bedroom, removed her clothes and laid next to me on the bed for some mutual caressing. A little disappointed at time as she looked a little porky compared to the pics on the website however soon began enjoying myself as she was warm friendly and accommodating and attractive - a smile always helps.

Soon kelly applied the condom and laid below me on her front giving very nice oral for as long as required - long deep strokes , lots of licking then very submissive as i guided the pace with a firm hand eventually full on mouth fucking her with slow deep strokes my pelvis gyrating towards her gob only releasing kelly when ready , she came up gasping for air but still smiling - good girl!. Then moved her onto her back , spread her legs wide apart and fucked hard in missionary for some time her breasts squeezed against my body holding her tightly as my cock pounded her pussy to completion kelly happy to let me completely satisfy myself.

Finally dressed and happily chatted all the while.

Recommended for a very friendly good looking girl , may return but so many gorgeous girls around at the moment with firmer bodies.
