The Premises:

Its a bit of a dive, but safe.

The Lady:

She is c25 years old, and obviously has some form of habit. Size 8 I would guess.

The Story:

This is a lot of fun for the money. She will perform well at any service.

Ok its a street girl at street girl prices, but to spend half an hour playing "every hole is a goal" for this price has got to be good value.

Be nice to her guys and she will perform well, I would guess she has not had much "nice" in her life
