### The Premises:

GFE is a well known location on Attercliffe Red Light District location. Receptionist is good at offering information and pulling the punters in. Good room was offered with shower facilities. Had chance to see the other ladies on the day. I think I might have chosen Amy, though she gets booked up and i think would have rushed me anyway. I rang to book an appointment for 12.30pm. They were very busy today and i did feel uncomfortable with 6 guys taking up the sofa places.

### The Lady:

To be fair, she does not mention her age and nor do the other punter reports. The pictures and descriptions sounded too good? She was indeed slim 8, nice figure for her age. The latter i think might be late 30's. I judge this from the excessive foundation and powder on the face and the dyed blond hair.

### The Story:

I think GFE must have squeezed another punter in as i ended up waiting for 30 minutes. What is the point of the receptionists asking a punter if he has an appointed, when they do not value the commitment?

I decided to go with Cindy and I am glad. Well she blew my mind and my cock especially so, oral without. She did a good cowgirl and reverse cowgirl too. I liked doggie and she liked me to do her flat on the bed and do slow deep thrusts from behind that made her come. Overall, i had a surprisingly wonderful punt after all this time. Thanks Cindy.
