### The Premises:

Nice house with a discreet entrance, very close to the city centre. Was taken by receptionist to a room at the top, nice decor and clean, low lighting.

### The Lady:

Nicole is very pretty, tall and leggy with a slim waist and a fantastic arse, obviously enhanced DD's but very nice and soft when you're touching them. Either mixed race or very tan, hard to tell. All in all, very sexy.

### The Story:

Nicole brought me a glass of water and made conversation while we stripped down, before asking me if I wanted a massage. Unfortunately the room had no oil, but she still did a very nice job compared to many girls I've met who just end up pinching your shoulders, complete with rubbing her body all over me and running her tongue down my back. Turned over was treated to some soft kisses before she moved down.

I know a lot of reports go on about a girl's OWO, but seriously, she was phenomenal. I mean wow. Writing this I can still remember what her hot mouth felt like around my cock. She also was able to deepthroat without a hint of trouble, and false modesty aside I'm fairly large so I found this impressive. Even without the deepthroat, she is truly exceptional at giving blowjobs.

At this point, I asked if she would rim me to which she grinned and said "yeah". I spread my legs wider and she went down and started tonguing. This is a particular love of mine, and not many girls will do it, so very happy about this. After a short while, we moved to 69.

After a bit of 69, I felt it was time for the condom, so she put it on and guided me into her. The sex was great, not as exceptional as the blowjob perhaps, but that would be asking a lot. She gave every sign of enjoying it, not with over-done pornstar moans, but more moving against me, catching her breath, holding my hands with her arms pinned above her. All very sensual and GFE. She is also good at getting into a rhythm with you. Moved to doggystyle, and with that slim waist and gorgeous arse, this is a must for anyone seeing her. Fucked like this for a while before I told her I

wanted to cum on her face, which was met with another smile.

We then moved so I was on all fours with her behind me, rimming me again while I jerked off, a position from which I could see her arse and pussy framed in the mirror. After a while of this, I turned around with her still on all fours, and jerked myself off against her tongue before cumming all over her face. I then fell back on the bed with my legs literally shuddering from the orgasm I just had.

After cleaning up, we made conversation and got dressed, and I'm happy to say that as well as being wonderfully filthy in bed, she's a real sweetheart as well. I've had a couple of visits to Annabella's recently, and Nicole is far and away the best. I could not recommend more highly, this girl is amazing.
