The Story:

upon entering the room amy asked what service i was looking for to which i said just a blowjob no sex. we agreed a price of 55 but i gave amy 60. Started with a quick massage then i stood up while amy sat on the edge of the bed to give me owo, which was ok but not the best i've had because the owo kept stoping every 20 secs while she just wanked my cock. But i did say i was in a rush so it probably wasn't amy's fault.

When i could feel i was getting close i asked amy if i could cum on her face which she said she didn't provide that service even though her profile states she does, she then said you can cum in my mouth though for an extra 10 pound which was weird because her profile states she doesn't do cim. Anyway i agreed amy knelt down in front of me while i wanked my cock when i was about to cum amy opened her mouth so i could rest my cock on her tongue while i shot my cum into her open mouth which amy took every drop.
