### The Premises:

Very close to the tube station, clean and candle lit with a nice scented aroma. Large bed as usual plenty of space.

### The Lady:

She greeted me wearing the same clothes in the photo at my request, very sexy very shapely and warm, it was a cold day.

### The Story:

She was very engaging over the phone offering a full massage with a happy ending. She promised me the best two hours in London and she wasn't far off. As I arrived she greeted me with a hug and a warm smile. I got a cheeky kiss in and she didn't complain hah, she was smiling warmly and had a cheeky wink and smile to her. She asked if I was cold and if I wanted a drink to warm up. I chose beer and had a Heineken.

She asked me to remove my clothes and lie down on the bed, we had discussed on the phone I was after a full sensual body massage with a happy ending. I lay down on the bed and she started spreading oil over my back and working her magic.

I had been specific in what I was after and she made sure I got it. I was a limb as a 18 yearold after the massage and the happy ending just rounded of a lovely 2 hours. Everything was spot on. Lovely as was Alice.
