The Story:

I decided to book this lady on recommendation(from a friend).From the moment of our brief chat on phone I felt at ease straight away. On discussion I asked Danni if she would be my sub, I wanted full control of her, she agreed. I made a booking for New Years Eve. Danni came to door(street level) in a beautiful(one would describe as glamour wear)this lady truly is stunning and I knew I was in for a treat. As I entered the premises I took full control. Firstly we agreed on a safe word. My journey began with me taking her to a clean dim-lit room, where I placed her on the bed, blindfold placed along with hands tied behind. I was in control of this goddess. Lots of teasing. I kissed her gently, working my way from head to toe. ice cubes from the champagne bucket melting on her pert boobs(yum). Her soft lips was a delight to kiss,her breath was clean and light. Danni's clean shaven pussy was wet ready and waiting. I made her wait almost til the end of my time before I covered up and slowly entered a pleasurable delicate pussy. My cock was throbbing I had to release myself in her mouth(fully loaded).licking out her pussy, she came instantly(my biggest turn on)I watched her body go into one would describe as (orgasmic).Off came the blinds, 5mins to go before we entered 2013.. I slow fucked her til she begged for harder punishment, blimey she loves it. I gave her good. my cock was dying to release but had to wait for the countdown 10 9 8....321 I whipped of the cover and ejaculated all over her clit, whilst rubbing my tool vigorously on her pussy. I allowed Danni to come all over my cock into the new year. What a wonderful experience. I've never done this before(tying up). I really didn't want it to end. We enjoyed the New Year together along with champagne. No clock watching. my time spent was 2hours. Guys you have to try out these fantasies.Wow Thankyou so much Danni. see you on Valentines day. I have more surprises for you petal. Danni did mention she only likes gentlemen over 30+ so guys treat this lady very well. She is a diamond.
