The Premises:

Clean flat above shops, with more discrete entrance from a side road. Can feel a little bit exposed while waiting for the door to be opened. Parking is always available within easy walking distance.

The Lady:

Web site pictures are definitely Victoria. She is very friendly and has a nice body, but I think perhaps a bit older than advertised now.

The Story:

Started with a nice massage which turned into a French kiss and mutual fondling session. I did reverse oral which seemed to be received well and her long legs were wrapped around my neck. We sealed the deal in missionary which only lasted a few minutes as I could not hold back any more.

Will definitely go back again and next time will be owo which was planned, but skipped in my excitement.

Victoria was very easy to talk to, as well as being willing and enthusiastic with everything we did which made the whole session simply fly by. May go for an hour session next time.
