place was good and secure

The Lady:

Physically not fit. she was way older than the photos in advert. her boobs are all falling like an old 60 years old.

The Story:

Agency reassured of her service of OWO. but she did not do it. pointing at her throat saying something wrong. although i had a shower in her place and fully shaven and cleaned. speaks very little english. very poor information provided by agency. you can be fooled by the picture easily.
