The Premises:

A discreet and safe environment. Easy parking and was able to find the place easily by the well mannered receptionist on the phone.

The Lady:

Gorgeous brunette with the best tits I have ever seen (EE) I felt like I was on a scene of a porno shoot. She had a great ass and definitely one to die for so remember to take a breath because she takes your breath away.

The Story:

Best punt I ever had. This girl was full of enthusiasm. Really amazing BJ technique, knows how to please and really enjoys her job. No clock watching at all.

First I had her do a sexy dance for me and then got a BJ and fucked her. I rate this establishment very highly for my first visit and will definitely be back. Cheers Danielle!
