The Premises:

Ealing Common very safe and busy. Her flat is a studio and the playing arrangements are a large sofa very comfy. It was very clean and I used the shower.

The Lady:

She is tall, other site says 5'9". She has a beautiful face with a well built body her arse is spectacular and breasts large and firm.

The Story:

Naomi offers a range of GFE fun and her demeanour is really gentle and fun. Her smile was soon wrapped around my cock and then she asked for 69. A boy would not deny himself the pleasure of licking a very pink pussy set in a black ebony skin. She groans and gets involved I played with her, fingering her cunt and her arse. She does allow for anal intercourse. With my cock hard and in her mouth I asked to fuck her and on with the condom and in reverse cowboy she raised her pert arse up and down, I gently fingered her anus pushing in to massage my own cock. This finished me off and I shot shot and shot. The second round was spent with Naomi using a anal toy on me and sucking me at the same time. This slow exercise had me gasping. The second cum was in that splendid area between pleasure and more pleasure. I dressed and wandered into the Ealing afternoon.
