The Premises:

Debbie has re-organised a bit, so there are now two bedrooms, otherwise things are as previously reported

The Lady:

Tall, slim, blond and classy, Kate is in her 20s, and looks better than her photos because of her relaxed manner and open smile.

The Story:

Kate has been at Debbie's for a month, but it looks like this is her first report.

She is simply lovely to look at and easy to talk to. She quickly made contact with sparkling eyes, and warm smile, and welcoming kisses.

She's a classy lady, who rides horses - and yes, has a good "seat". I found it electrifying when she talked dirty in an accent bordering on cut-glass.

She's got all the right curves, along with unexpected pleasures - her short hair-cut and perfect neck really did something to me.

All services are covered, she is enthusiastic about what she does, and we had plenty of laughs along the way.

She's a little shy about being exposed in a Punternet review, "like a used car", so I'll simply say this model has low mileage on her clock, and runs very nicely.
