The Premises:

Ground floor apartment near Staples, nicely appointed room and with good parking nearby.

The Lady:

Perfect fit size 8 with fabulous enhanced soft boobs, waist length flame red hair and wearing white fishnet stockings and a very sexy white lacy peekaboo teddy.

I'd bought along a red suspender belt and a red front fastening cut-away peekaboo baby doll so Millie quickly removed her teddy and put these on and she looked amazing!

The Story:

I've seen Millie a couple of times previously, so after wishing each other a happy new year we started with some very sensuous standing DFK before moving onto the bed continuing to DFK with Millie then moving down to take me into her mouth. The sight of Millie sideways on with her flame red hair, red lingerie and white fishnet stockings licking and sucking me is another fantasy vision I'll never forget. More DFK followed before Millie moved into one of my favourite positions, straddling my face with my tongue and mouth exploring her lovely pussy while my hands were busy fondling her lovely boobs. I just love this position and when the girl responds which Millie did becoming nice and wet. I just kept going with both of us enjoying it fully before changing to a long session of 69 with Millie on top. A couple of times Millie knelt back onto my mouth and just let me suck on her clit ? wonderful! We finally stopped for a session of DFK while caressing and cuddling with Millie lying on top of me. Then on with a condom with Millie straddling me for some wonderful cowgirl and reverse cowgirl ? what an amazing sight this was! More DFK followed before I turned her over on her back for a good session of 69 with me on top of Millie, then back with Millie kneeling beside me giving me oral and finally back into 69 with Millie on top for about 15 minutes or so and with my tongue eagerly teasing her pussy I came explosively into her mouth. Millie making sure she had very last drop before turning round and laying on top of me and engaging in a horny tongue swirling cum swap snowballing session.

Another amazing steamy and rampant session with Millie, who along with being very friendly and fun to be with now offers all services at her discretion. I will be back to see her again and soon!
