### The Premises:

Very attractive top-floor flat with two well-equipped rooms (one with a jacuzzi)

### The Lady:

Adele is a gorgeous 20-something with huge eyes, lovely cheeky smile and the physical endowments of a top film star / porn movie starlet. She has a very positive attitude and likes a bit of fun including spanking, SM, loves talking dirty, can be active or submissive, will fulfil most of your dreams

### The Story:

This time it was the randy schoolgirl routine which involved quite a bit of punishment after I have caught her masturbating with great relish. We ended up on the floor, it was diabolically good, she seemed to enjoy being smacked, but then turned tender and can just as well play the part of the demure sex-kitten. I could not fault her performance. The only problem is that she does not work here frequently enough, one day every two or three weeks maybe, which is not enough for the likes of me
