The Story:

Sidny is very down to earth and so it is easy to feel comfortable and happy to get down to business with her.

We had a chat and a kiss and cuddle before moving on to quite normal sexual activities but it makes a huge difference if your partner appears well into it, making moves herself as much as letting you do your thing.

A very good way to spend a Sunday morning and no doubt a very good way to spend any of your time.

A very genuine lady with a lovely naughty side to her.
