The Story:

Valentina is a very cool, relaxed yet high energy girl who really knows how to take care of me. She greeted me at the door with a big smile. We took a shower together during which she gave me an amazing OWO. Then to the bed where she gave me a very professional massage. More OWO then on with the hoodie and we screwed in a variety of positions. I dont know what it is about this girl but she is very good at what she does, perhaps because she really enjoys it.
