The Premises:

Its a house in a pleasant residential road near the North Finchley shops. It has a discrete side entrance and off-road parking - both these have been adversely affected recently by builders next door, tho presumably not after 5pm. They have been missing over the holiday period but may be back this week or they may have finished for good. Hopefully they will be finished soon. If you cant cope with Barnet street parking arrangements, Sainso's is close by. There are usually 2 girls working.

The Lady:

Medium height tanned blonde EE , late 20's with a super figure - slim and curvy, firm natural B-cups most 18-year olds would kill for. Fully shaven down below. Always dressed in skimpy lingerie, attractive face. The pix give a good general impression.

The Story:

I have seen Celina quite a few times over the last 2 years, and tho I always enjoyed seeing her, it has got better with time. She is very attractive, but personality is always what makes the difference to make me come back for more - she is bubbly and chatty and makes me feel she is happy to be with me. But that does not get in the way of the action. Celina has a lot of experience and really knows how to give pleasure -for me that's especially with oral and cowgirl, but she is even happier to lie back and enjoy it !
