The Premises:

Basement flat off Kilburn High Road. Clean and suitable for purpose. Area seemed safe enough.

The Lady:

Petite Bulgarian girl in her 20's. Slim, with long dark hair to her waist almost. Very pleasant and fun to be with.

The Story:

Was in the area, felt horny and got a copy of the local paper to see what was available in the way of stress relief. Found an advert For Tokyo House, called up and was given clear directions of how to get there.

Just what this place has to do with Tokyo is beyond me. There were 5 or 6 girls paraded, not one was oriental. I chose Monica and we made our way to the bedroom. There I enjoyed lots of covered oral, reverse oral, sex in various positions and lots of giggles and laughter with a girl who is refreshingly genuine about her work and although not very fluent in English, can make herself and her needs understood. She truly is a delightful companion and is highly recommended. In fact I have been back to see her again since and the service was equally as good, if not better.
