The Premises:

First floor flat in modern development adjacent to A1(M). Easy access and loads of parking. Buzzer entry. Feels absolutely safe and completely anonymous. Clean and tidy, firm, king sized for lots of vigorous 'sexercise'. Clean towel provided for before/after showering which was not included in 'time spent', excellent PR. Booking made by text with delightful and very efficient 'remote' receptionist who confirms readiness of your hostess upon arrival at venue, no other parties present at location so one does not feel like being on a production line.

The Lady:

This was my third visit to enjoy the GFE provided by this stunning Polish raven haired beauty. As described on the web site and pictures only so much better in the flesh. Toned and 'all over' genuine tan. A ray of pure sunshine on this grimy January afternoon.

The Story:

I have used the services of this agency extensively in my year of 'punting'. Six locations in Herts and Bucks, I've mainly stuck to Hatfield and St Albans. Can't fault them. The women have all been excellent. Caprice simply 'rocks my boat' in looks, taste and sound - delightful accent to her English. After showering, immediately into kissing and tongue touching, 'slipped' off her red slip to reveal the most amazing, firm, natural tits - very responsive nipples - yummy. Then in to the horizontal for some deep tongue action on that tight athletic pussy, 5 minutes of tasty delight then roll in to a 69, her on top. 10 minutes in and we both need to 'cum' up for air. Lovely conversation about ski-ing, travel, families, house-hunting etc whilst, in turn, giving each other massages. On with the 'mack' for some deep mish then doggie. Time up but no clockwatching and she gets my juices spouting with her hand and my old fella pressed against her tum. Thanks Caprice, a lovely GFE. I'll be back.
