### The Premises:

Second floor flat with entry phone access. On an estate of many small blocks of flats. Shared with another lady who I did not see. Easy parking, warm and inviting, fit for purpose.

### The Lady:

Beautiful Bulgarian lady, about 5'2" tall with a slim lovely body, shaved below. Small, sensitive breasts, long black hair, nice skin, gorgeous lips, lovely face. Deep husky voice reminiscent of Fenella Fielding for those of you old enough to remember her! English ok, but not really good enough for conversation. Age 29 (I think), see below.

Very friendly and wanting to please

### The Story:

I got Diana's details from the purple banner site a couple of days ago. However I noticed today that her page details have changed and her age has gone from 29 to 25. Also she has a new phone number which is why I've shown two (above).

This was an excellent punt. She's been in the UK for about 3 months, moving around a bit, and decided to settle down in Slough. Only sees a maximum of 3 guys a day. She was very tactile and kisses beautifully. We kissed and caressed for 5 minutes or so before she moved down to give me some lovely OWO. I moved her into 69 and enjoyed myself for another 5-10 minutes before deciding I had to go for broke!

We then moved into missionary position and I'm sure she enjoyed my efforts as much as I did before I eventually exploded and collapsed in a heap. We sort-of chatted as best we could given the language barrier before I took my leave of her.

Definitely one to go back to and thoroughly recommended.
