### The Premises:

Unprepossessing block of flats, free parking easy to find. Clean pleasant room in safe area, although I was told the landlord was prowling around after his rent!

### The Lady:

about 5' 5". 25 years old. Curvy and tanned, black hair. smallish boobs.

### The Story:

Maybe she, (Beautiful\_Ella) or I was having an off day. She was late and so was unprepared. Had seen good reports before on Ella, but her latest profile was new so no recent information. She didnt seem into it - very chatty and didnt really want to get going. When she did, she seemed more interested in making herself come than me! I felt she should have paid me!

Made a bit of a palaver when putting the condom on, telling me I couldn't go too far in as I was big (a compliment , I know, but just not true!)

So I quickly lost my erection! She also told me she had a sore throat, maybe you shouldn't work if that is the case.

I persuaded her to give me some more attention and asked for CIM - this was agreed to but she then made a big fuss when I did - saying how much she hated it! - immediately rushed off to spit out! (So why offer it?) Better value elsewhere.
