The Premises:

Debbies is probably the best establishment in South London, at least of the few that I've visited. There's always a warm welcome which makes you feel at home and relaxes any nerves. The rear entrance is very discreet and the place tidy. There's two bedrooms now - I made "use" of the newer one.

The Lady:

Lara was absolutely stunning. Two girls were working but as soon as I meet Lara then my mind was made up! Really beautiful face and what a figure! Her bum was so shapely, beautiful dark nipples and a delicious clean shaven and tight pussy.

The Story:

We started with a long passionate kiss which immediately turned me on (Lara's a great kisser and really enjoyed this). Then we slowly undressed each other (at which point I discovered how much Lara loves to have her whole body kissed and licked), before moving to the shower - this is a great service at Debbies - nothing more intimate than rubbing each others bodies against each other in a small cubicle - brilliant! Then back to the bedroom where we dried each other, kissed a lot and played around before Lara layed down on the bed to allow me to kiss and lick every inch of her beautiful body. After she came she paid me back with some amazing owo before she lay back and we finished in missionary, both cuming together. A truly memorable experience which turns me on every time I think of it!!
