The Premises:

This is was in the new House of Divine establishment in Maida Vale, its clean and discreet though from the outside, it isn't anywhere near as nice as the South Kensington place. In saying that, this place wasn't too shabby. Inside, the flat was nice and clean, to the usual HoD standard.

The Lady:

Anastacia is tall, with lovely legs, nice face and nice ass. She has nice blonde hair as well

The Story:

Started off with DFK which we both enjoyed, then she got down to some OWO, then she done cowgirl and I came by missionary. This lasted like 20 minutes, she then gave me a massage and we spoke for the rest of the time available. She offered to give me OWO a second time round but my penis wasn't interested, no fault of her own, I think he was having an off day. Overall, nice girl who knew what she was doing and was relatively chatty as well though her english isn't great. I wouldn't visit her again because I think HoD has better girls though I would still recommend her as she isn't a bad punt at all.
