The Story:

What can I say, I completely fell in love with this girl. Just as gorgeous as her pictures if not better in the flesh. Great body, beautiful face and the most amazing pair of pert breasts I've ever seen... spending time with Gulia was a real pleasure. It's unbelievable how someone with an appearance of an angel can be so sexy and naughty at the same time. Between rounds I discovered that she also had a wicked sense of humour and we had a really good laugh. All in all the highest level of service and the perfect gfe was delivered and the 1 hour booking just flew by. Gulia made me feel very special and I highly recommended her. Thank you baby so much for a wonderful time and see you very soon xxx
