The Premises:

A well established parlor, in a side street opposite main road, very discreet and private. Inside the place is perfectly pleasant and convenient. Little waiting room for you to sit when girls come and introduce themselves. Rooms were clean with good shower facility.

The Lady:

Jaden is absolutely stunning picture on website isn't clear, but if you ask me she is absolutely gorgeous. She must be 5'8"ish, slim, gorgeous natural breasts with a killer butt!

The Story:

She entered the room, asked me about my desires and explained the prices. I chose a massage, followed by oral and finish it off with sex.

She started massaging my whole back body, shoulder to toes. I loved it when she teased me by touching my balls and my shaft.

Soon she asked me to turn over, and she continued massaging my front, making me even harder. Soon she put the condom on me, and she started sucking and my god she can suck. Now I had her ass in my face and licking her arse felt so good, it tasted divine.

After sucking for a while she did reverse cow girl and then cow girl, and by that time I could keep it in, and I exploded! Next time blowjob finish for me. Can't wait to go back to her.
