The Premises:

Ibis Hotel a 5 min bus ride from Wembley Park tube, but is no longer there and likely in Harrow area.

The Lady:

Slim, tight and tidy body. Not some stunner, more like MILF, but nice person. English is a tad broken, but can get by, etc. Dark hair, firm tits, strong body and hands (during massage)

The Story:

Read decent reviews via the purple site and decided to visit. She gave me a very strong decent massage on my back and that helped with the stress and the crap rainy day!

Gave a lovely oral w/out and flicked her tongue on my jap eye and good few times. Got me going, so we French kissed for a bit. She took some control with that oral w/out and completed via her hand, but i think if i said carry on she would have done CIM.

Nice back massage followed by more oral w/out and hand completion again.

I did not get a change for RO or a good old fashioned shag. Maybe next time. She is 60 for the hour now, but was 55 just before xmas. Smart cookie there!

In summary good value for money and good service. I would go again for 30 mins and ask her to oral to completion.

No rimming or anal on the menu; but good value and a decent person IMHO
