The Story:

Possibly one of the most engaging characters I've met. Super smile, lovely touch and friendly. I enjoyed this visit and was not rushed. After a chat, followed by a cuddle, fondling and then oral both ways. Marissa does a beautiful oral, soft and sensual. I was so turned on I had to slow her down. Sex followed, and I really wish I had a double booking because I left wanting more. Marissa is chatty, intelligent and a pleasure to be with and she will be very popular.
