The Premises:

Very clean, cosy, comfortable flat a few minutes from Bond street tube. Easy to find. Safe area, it's over a cafe, reasonably discreet.

The Lady:

Valentina is drop-dead gorgeous. Stunningly beautiful. Very lovely face with a big beautiful smiley mouth. Great body. She has a really warm, friendly personality, very chatty, she really knows how to put you at ease. Her English is great, considering she says she's only been in the country a few weeks. She has enhanced boobs, normally a turn-off for me, but she's such a great girl in every other department that she makes it completely irrelevant

The Story:

Valentina has the potential to be a real superstar. Everything about her is amazing. Her combination of beauty, wonderful personality, great attitude and real desire and enthusiasm to please and have fun herself make her a joy to be with. She's a fantastic kisser, great owo, great shower, I could go on and on.

This lady is a real winner. Please treat her well, you'll have the time of your life.
