### The Premises:

Flat close to North Harrow tube. I travelled by car and parking was easy to find. Nice clean flat, above shop with discreet entrance from alley behind. Its a busy shopping parade and i felt safe.

### The Lady:

A very stunning and well dressed girl, probably in early twenties. Blue eyed polish brunette with pert breasts and lovely smooth skin. Very friendly and chatty and a stunning smile that makes you feel at ease straight away. Looks much better in life than her pics.

### The Story:

Seen Paula 3 times in Oct last year, shes now been on holiday and i cant wait for her to return. Once in her room, She greeted me with DFK and slowly undid my trousers and started strking my rock hard cock. After a few minutes of passionate kissing she was on her knees sucking my cock, simply the best OWO i've had for ages. I had to ask her to stop the oral as i felt the little general was going to send the troops in early. On the bed she applied the condom and rode me cowgirl till i came. She lay there on top for a good couple of minutes making sure i was completely empty. Had a little break and i pounded her tight pussy hard in mish while DFK, and wasn't long before i came again. I was weak at the knees as i left. Gave her a 20 tip as well.
