### The Premises:

My flat in South London, so of course it's just fine.

### The Lady:

Cute as a button, sweet and petite Thai girl, curves in all the right places. I would say web site photos are accurate.

### The Story:

My needs are simple, so I can't comment on what she will do or won't do. Minnie completely satisfied my needs without complaint, then she offered me a lovely Thai massage to use up the remaining time. Not a clock watcher, actually time from walking in to leaving, 1 hour 10 mins. Absolutely, definitely the best escort experience I've had at home and I've tried a few agencies over the years. YES, this girl is a repeat! Though next time, maybe I'll get my act together and go visit her!

Note that I paid ??240 - ??90 of that was callout fee. It would have been a lot less expensive if I'd gone to her. But - it was midnight when I got the urge, there's something nice about being home and the door bell going and finding a lovely lady outside.

I have used a couple of the 'budget' agencies several times and always found them, at best mediocre and at worst - a rip off. You get what you pay for.
