The Story:

i arrived at the destination and rang emma as requested, followed her directions and was met at the door by emma who was dressed in a leather two piece stockings and thigh legnth boots, i followed her upstairs where she led me to the bedroom, sorted money out then emma kissed me, she is very passionate kisser and seems to really enjoy it, sheled me to the bed she sat down and undid my trousers, my cock was bursting to get out and soon did, emma gave me a great blow job that seemed to last for ever licking my balls and running her tongue up my shaft, removed the rest of my clothes and then gave emma some oral, she really loves this , by now i was dying to get inside her, on with the condom and slid my cock inside her and fucked her missionary, we then changed position and she got on top and rode me, she loved this and actually squirted all over my cock as i came at the same time, this is one sexy girl who really enjoys what she does, definatley be back for more, thanx emm xx
