The Premises:

Room in shared house on Alma Road. Had single bed and shower. Seemed clean and in a reasonable area

The Lady:

Polish and very large. Very large breasts. Not bad looking but needed to make a lot more effort with appearance. I asked for skirt and heels. I got flip flops, black spandex leggings and a vest. The sort of look i'd expect for someone who had just got up and couldn't be bothered to get dressed

The Story:

Given the run around with the address. Meet on this road, then opposite the police station, then i will find you. No fun if you're on foot!!

Had shower and she just kept her clothes on and started sucking. Asked to see her tits, and she said 'ok in a minute'. She eventually got them out. Sucked them for a bit and i blew my load a few minutes later.

All the time, Eastenders was full blast on the tv and she didn't say a word.

Left wishing i'd thrown my money away somewhere else.
