The Premises:

The Lady:

VERY busty BBW. GFE with reverse O, fingering, french kissing then oral without, coming in her warm mouth and swallowing my spunk.

The Story:

This is my second visit and it won't be my last.

We did all the things discussed, her french kissing is heavenly, she has a lovely tight, small lipped and sweet pussy and comes quite quickly through application of one's tongue on her clit and with two fingers in her very wet pussy.

The finale was with her kneeling in front of me in front of the mirror sucking my cock until I told her I was about to come, then she opened her mouth wide and wanked me over her tongue, face and lips.

My spunk splattered everywhere, I could see it over her tongue, lips and face.

Then she stood up and we french kissed, I licked my spunk off of her and we swapped my cum and both swallowed.

This was more PSE than GFE and Jade seems to enjoy this as when I put my two fingers back into her pussy, she was really wet.
