The Premises:

Its a nice basement flat close to Paddington station. Her room is quite large and has an en-suite shower and toilet and there's a bath in a separate room. My only small grip is that I would like better lighting in play area, Cindy is very nice to look at.

The Lady:

Cindy is pretty, small, slim with a perfectly proportioned body and a wonderful arse.

The Story:

Cindy is a dynamite bundle of sexual energy. She warms up quickly and is able to go like the energizer bunny for longer than I can ... at least 2 hours from personal experience. She is keen to make sure you have a good time and its hard to imagine she'd fail in that respect. I go for a fairly vanilla GFE fk/owo/ro kind of thing so I can't speak for the more exotic services, but Cindy certainly seems more than willing to walk on the wild side ... she wanted me to bite her (gently) at one point while we were playing. She's happy to take the lead, but I suspect she's really a bit sub by nature. Whatever your tastes if you treat her well you're sure to have a fun time.
