The Premises:

A normal residential address very near to the MK shopping centre, in a nice enough area, and the Lady who dealt with me while waiting for Lara was lovely.....as was the room, very comfortable indeed!

The Lady:

Lara is in great shape, she has firm, natural breasts, a lovely round arse, a firm, flat stomach, and is very, very pretty, with a cracking smile!!!

The Story:

When I got there, I waited a minute or two for Lara to come into the kitchen, and when she came in wasn't sure that it was her to begin with, as she looked a little different from her photos, which I must say straight away is not a bad thing at all, as she is a cracker, really pretty looking with a fantastic body, although I would definitely say that her sparkling smile, and bubbly/devilish personality with her complete willingness to have fun and make your time with her special is a huge booking point, as it's all about having fun for me, as well as the obvious reasons for being with her, her kissing is deep and passionate, her pussy tastes great (especially seems as she was dripping the Reserve Rose Cava I took along for us onto herself as I was down there....lovely!!), her breasts are firm, and a joy to suck and lick, and the 69 was sweet too, I didn't get round to fucking her to be honest, (but that's down to me completely, not Lara, she wanted to, but I spent some of the time laughing with her and to put it bluntly "Arseing around with her"!!!!), and the time quite literally went flying by, 30 mins is not a lot of time at all with a fun girl like Lara!, but hey it's not a problem, there's next time, and I'm an easy going sort of fella, it's not just about one thing....

In summary, Lara is an absolute joy to spend some time with, really good fun, and if you're going to see her for purely the sex and nothing else, you'll get your wish too!!

I couldn't explain her in one sentence, and the size of this very first report of mine is time well spent composing it, as it's testament to her personality, I'll be definitely seeing you again Lara.... "Estas un diamante, te veo pronto, guapa"xxx
