The Lady:

Blonde Russian around 5'4 in height early thirties, quite good looking.

The Story:

Very enjoyable experience she was very enthusiastic, sex in different positions, 3 rounds of owo, I had half a viagra before I turned up and am well endowed so did not ejaculate myself. She had 2 orgasms and kept saying my penis was massive and hard and I should be in the porn industry, she did not know about the cheating with the viagra so this was all very amusing, I would recommend her to other viewers of this site.
