### The Premises:

My Hotel in Bayswater.

### The Lady:

Marianna is around 5'3 age 25, Bulgarian tanned very good body and pretty.

### The Story:

This was an enjoyable experience and great value for money, she is a very professional person warm and friendly. We had sex in different positions doggy, cow girl, etc also owo which was covered but she was that good at it was acceptable, her pussy was so tight it must have been 9 and a half plus out of a scale of ten for tightness, I ejaculated like a shotgun going off. Would recommend her to a new punter starting out or someone who is strictly meat and potatoes.
